

SO 569(E),dt. 25-07-1989-Whereas the Government of India has set up an Expert Committee with a view to reviewing the continued use in india of pesticides that are either banned or restyricted for use in other countries.

Now, therefore, after considering the recommendations of the said expert committee, and in consultation with the Registration Committee., set up under the Insecticides Act, 1968, the Central Government in exercise of the powers conferred on it, under sub-section (20 of section 27 read with section 28 of the Insecticides Act, 1968 hereby passes the following order:

1. Chlorobenzilate is hereby banned for use in agriculture. If required it can be imported by Government/ semi-government organisations and prepared folbex strips for making it available to be keepers for controlling mites of honeybees.
2. Dibromo-chloropropane (DBPC) is hereby banned and the registration certificates issued by the Registration Committee to various registrants shall stand cancelled.
3. Taxaphene (camphechlor0 is hereby banned and the registration certificates issued by the Registration Committee to various registrants shall stand cancelled.
4. The use of sodium cyanide shall be resticted for fumigation of cotton bales by plant protection Adviser to the Government of India under expert supervision.
5. Penta-chloro-nitro-benzene (PCNB) is hereby banned and the registration certificates issued by the Registration Committee to various registrants shall stand cancelled.
6. Captafol shall be used only as seed dresser. Its use as foliar spray is hereby banned.
7. All the holders of the registration certificates for manufacture and import of these insecticides should return their registration certificates to the Secretary, Registration Committee, Directorate of PP, NH-IV faridabad (Haryana), dt. 31-7-1989.
8. Non- endorsement or correction of the registration certificates will not bne taken as permission or approval to operate upon original certificate of registration in contravention of the provisions of this order.
9. Certificates not submitted by the due date shall be deemed to have been cancelled.

INSECTICIDES RULES, 1971

GSR 1650,dt.9-10-1971

Chapter I

Preliminary

1. Short title and Commencement

- These rules may be called the Insecticides Rules, 1971.
- [1]They shall come into force on the 30th day of October, 1971.

2 .Definitions

In these rules unless the context otherwise requires-

- a. "Act" means the Insecticides Act, 1968(46 of 1968);
- b. (2) ***

- c. (3) "expiry date" means the date that is mentioned on the container, label or wrapper against the column ' date of Expiry;]
- d. (4) 'form" means a form set out in the First Schedule;
- e. "laboratory" means the Central Insecticides Laboratory;]
- f. schedule" means a schedule annexed to these rules;
- g. (2) ****
- h. (4) "pests" means any insects, rodents, fungi weeds and other forms of plant or animal life not useful to human beings;]
- i. (3) "primary package" means the immediate package containing the insecticides;
- j. "principal" means the importer or manufacturer of insecticides, as the case may be,
- k. "registration" includes provisional registration;
- l. "rural area" means an area which falls outside the limits of any municipal corporation or municipal committee or a notified area committee or a cantonment;
- m. "schedule' means a schedule annexed to these rules;
- n. "secondary package" means a package which is neither a primary ackage not a transportation package;
- o. "section" means a section of the Act;
- p. "testing facility" means an operational unit where the experimental studies are being carried out or have been carried out in relation to submission of data on product quality or on safety or on efficacy, or an residues or on stability in storage of the insecticides for which an application for registration is made;
- q. "transportation package" means the outermost package used for transportation of insecticides.)

-
- 1. substituted by GSR 736(E), dt. 9-12-1977.
 - 2. Omitted by GSR 736(E), dt. 9-12-1977.
 - 3. Inserted by GSR 533(E), dt 6-8-1993.
 - 4. Substituted by GSR 533(E), dt 6-8-1993

(r) (1) 'commercial pest control operation means any application or dispersion of Insecticide (s) including fumigants in household or public or private premises or land and includes pest control operations in the field including aerial applications for commercial purposes but excludes private use;

(s) pest control operators' means any person who undertakes pest control operations and includes the person or the firm or the company or the organisation under whose control such a person (s) is operating.]

Chapter II

FUNCTIONS OF THE BOARD, REGISTRATION COMMITTEE AND LABORATORY

3. Functions of the Board

The board shall , in addition to the functions assigned to it by the act, carry out

the following functions, namely:

- a. advise the Central Government on the manufacture of insecticides under the industries development and regulation act, 1951 (65 of 1951);
- b. specify the uses of the classification of insecticides on the basis of their toxicity as well as their being suitable for aerial application;
- c. advise tolerance limits for insecticides, residues and an establishment of minimum intervals between the application of insecticides and harvest in respect of various commodities;
- d. specify the shelf-life of insecticides;
- e. suggest colourisation, including colouring matter which may be mixed with concentrates of insecticides, particularly those of highly toxic nature;
- f. carry out such other functions as are supplemental, incidental or consequential to any of the functions conferred by the act or these rules.

4. Functions of Registration Committee

The registration committee shall, in addition to the functions assigned to it by the act perform the following functions, namely;

- a. specify the precautions to be taken against poisoning through the use or handling of insecticides;
- b. carry out such other incidental or consequential matters necessary for carrying out the functions assigned to it under the act or these rules.

5. Functions of laboratory

The functions of the Laboratory shall be as follows;

- a. to analyse such samples of insecticides sent to it under the act by any officer or authority authorised by the central or state governments and submission of certificates of analysis to the concerned authority;
- b. to analyse samples of materials for insecticide residues under the provisions of the Act;
- c. to carry out such investigations as may be necessary for the purpose of ensuring the conditions of registration of insecticides;
- d. to determine the efficacy and toxicity of insecticides;
- e. to carry out such other functions as may be entrusted to it by the central government or by a state government with the permission of the central government and after consultation with the board.

-
1. sub-clauses ® and (s) inserted by Insecticides (Amendment) Rules, 1999 dt, 20-5-1999

Chapter III

REGISTRATION OF INSECTICIDES

6. Manner of registration

1. (1) (a) an application for registration of an insecticide under the act shall be made in forms I and the said form including the verification portion, shall be signed in case of an individual by the individual himself or a person duly authorised by him in case of Hindu undivided family, by the karta or any person duly authorised by him, in case of partnership firm by the managing partner, in case of a company by any person duly authorised in that behalf by the board of directors and in any other case by the person in charge or responsible for the conduct of the business. Any change in members of Hindu undivided family or partners or the board of directors or the person in charge as the case may be shall be forthwith intimated to the secretary central insecticides board and registration committee and the licensing officer.

(b) The registration committee may, if necessary, direct inspection of the testing facility for establishing the authenticity of the data.]
2. (2) an application form duly filled together with a bank draft, drawn in favour of the accounts officer directorate or plant protection quarantine & storage, payable at Faridabad towards registration fee shall be sent to the secretary registration committee, directorate of plant protection, quarantine & storage NH-IV Faridabad-121001, Haryana. The fee shall be payable as follows:-
 - i. Rupees five thousand each in case of application for registration under sections 9(3) and 9(3B) of the insecticides act, 1968;
 - ii. rupees two thousand five hundred incase of application for registration under section 9(4) of the insecticides act,1968.]
3. (3) the registration fee payable shall be paid by a demand draft drawn on the state bank of India Faridabad, in favour of the Accounts Officer, Directorate of plant protection, Quarantine and storage, Faridabad, Haryana.
4. The certificate of registration shall be in Form II or Form II-A as the case may be and shall be subject to such conditions as specified therein.]

6a. (2) Issue of duplicate certificate of registration

A fee of rupees one Hundred shall be paid in the form of demand draft drawn on the state bank of India, Faridabad in favour of the Accounts Officer, directorate of Plant protection, Quarantine & storage, Faridabad, Haryana for a duplicate copy of a certificate of Registration if the original is defaced, damaged or lost.]

6B. (40 Addition, deletion or alteration on the certificate of Registration including labels and leaflets.

A fee of rupees one hundred shall be paid in the form of demand draft drawn on the State bank of India, faridabad, in favour of the Accounts Officer, Directorate of plant protection,

Quarantine and storage, faridabad, Haryana on each occasion for each.

-
1. Substituted by GSR 533(e) (dt. 6.8.1993.
 2. Substituted by insecticides (Amendment) rules, 1999, dt. 20-5-1999
 3. Inserted by GSR 533(E) dt. 6.8.1993
 4. Inserted by insecticides (amendment) rules, 1999, dt 20-5-1999

Certificate of registration for addition deletion, alteration on the certificate of registration including labels and leaflets.]

7. Appeal

1. An appeal against any decision of the registration committee under section 9 shall be preferred in writing ² [in Form II -B in duplicate to the central government in the Department of Agriculture.
2. The appeal shall be in writing and shall set out concisely and under distinct heads the grounds on which the appeal is preferred.
3. ¹every appeal shall be accompanied by a demand draft of rupees one thousand towards fee and a copy of the decision appealed against.
4. (1) the fee payable for preferring an appeal shall be paid by a demand draft drawn on the State bank of india, New Delhi in favour of the pay and accounts officer department of Agriculture & cooperation, New Delhi.]

8. Manner of publication of refusal to register or cancellation of certificate of registration

A refusal to register an insecticide or a cancellation of the certificate of registration of an insecticide shall also be published in any two English and hindi newspapers which have circulation in a substantial part of India and in any of the journals published by the Department of Agriculture of the Government of India.

CHAPTER IV GRANT OF LICENCES

9. Licences to manufacture insecticides

1. (1) application for the grant or renewal of a licence to manufacture any insecticide shall be made in Form III or form IV as the case may be to the licensing officer and shall be accompanied by a fee of rupees two thousand for every insecticide and a maximum of rupees twenty thousand for all insecticides for which the licence is applied.]
2. if an insecticide is proposed to be manufactured at more than one place, separate applications shall be made and separate licences shall be issued in respect of every such place.
3. (2) a licence to manufacture insecticides shall be issued in Form V and shall be

subject to the following conditions namely:

- i. the licence and any certificate of renewal shall be kept on the approved premises and shall be produced for inspection at the request of an insecticide inspector appointed under the act or any other officer or authority authorised by the licensing officer.
- ii. Any change in the expert staff named in the licence shall forthwith be reported to the licensing officer.
- iii. If the licensee wants to undertake during the currency of the licence to manufacture for sale of additional insecticides he shall apply to the licensing officer for the necessary endorsement in the licence on payment of the prescribed fee for every category of insecticides.
- iv. An application for the renewal of a licence shall be made as laid down in rule 11.

-
1. substituted by insecticides (amendment) rules, 1999, dt, 20.5.1999
 2. substituted by GSR 474(E) dt. 24-7-1977, sec 3(ii), dt 24-7-1976.

v. the licensee shall comply with the provisions of the act and the rules made thereunder for the time being in force.]

vi. (1) the licensee shall obtain ISI mark certificate from bureau of Indian Standard within three months of the commencement of the manufacture.

vii. No insecticides shall be sold or distributed without ISI mark certification.]

4. (2) a licensing officer may after giving reasonable opportunity of being heard, to the applicant refuse to grant any licence.

(4A) No licence to manufacture an insecticide shall be granted unless the licensing officer is satisfied that necessary plant and machinery safety devices and first aid facilities, etc., exist in the premises where the insecticide is proposed to be manufactured.]

5. (3) a fee of rupees one hundred shall be paid for a duplicate copy of a licence issued under this rule, if the original is defaced, damaged or lost.]

10. licence for sale etc., of insecticides

1. applications for the grant or renewal of a licence to sell, stock or exhibit for sale or distribute insecticides shall be made in form VI for Form VII, as the case may be to the licensing officer and shall be accompanied by the fees specified in sub rule (2).
2. (3) the fee payable under sub-rule (1) for grant or renewal of a licence shall be rupees five hundred for every insecticide for which the licence is applied subject to place, if any insecticide is sold, stocked or exhibited for sale at more than one place.

Provided that the maximum fee payable in respect of insecticides commonly used for household purposes and registered as such shall be rupees two hundred fifty for every place;

PROVIDED FURTHER that, if the place of sale is established in the rural areas, the fee shall be one fifth of the fee specified in this rule.]

3. if any insecticide is proposed to be sold or stocked for sale at more than one place, separate applications shall be made and separate licences shall be issued in respect of every such place 4[and for every insecticides.]

[3A) 5 Pest Control Operators-

- i. any person who desires to undertake pest control operations, with the use of Aluminium Phosphide, methyl promide. Ethylene dibromide or as notified shall apply for a licence in Form VI-A with a fee of rupees one thousand for each place of operation. The licence granted for such operations shall be valid for a period of five years provided that the licence shall be renewed after verification or inspection at the expiry of this period on application in Form VI-B for a further period of five years with an application fee fo rupees one thousand.
- ii. A licence to stock and use insecticides for pest control operators will be issued in Form VI-C.

1. sub-clause (vi) and (vii) inserted by Insecticides (Iind Amendment Rules, 1999,dt 20-05-1999.
2. Substituted by GSR 533(E), dt. 6-8-1993, w.ef. 6-8-1993.
3. Substituted by Insecticides (Amendment) Rules, 1999,dt. 20-5-1999.
4. Added by GSR 533(E), dt. 6-8-1993, w.ef. 6.8.1993.
5. Inserted by Insecticides (Amendment) Rules, 199.dt. 20-5-1999.

- iii. Any person who applies for grant of licence for undertaking pest control operations should be at least a graduate in Agriculture or in science with Chemistry as a subject with a certificate of minimum 15 days training from any of the following institutions- Central Food Techonological Research Institute, Mysore; indian Grain storage Institute, Hapur and National Plant Protection Training Institute, Hyderabad.
- iv. For undertaking fumigation, the pest control operators shall have to contain special permission from the plant protection adviser to the Government of India in addition to obtaining licence. The plant protection adviser will grant such permission as per procedure or guide lines approved by the Registration committee.
- v. The commercial pest control operators shall adhere to the prescribed guidelines or procedures as laid down by the Plant Protection adviser to the Government of India in regard to the fumigation operations undertaken by them.]

4. (1) A licence to sell, stock or exhibit for sale or distribute insecticides shall be issued in Form VIII and shall be subject to the following conditions, namely:
 - i. The licence shall be displayed, in a prominent place in the part of the premises open to the public.
 - ii. The licence shall comply with the provisions of the Act, and the rules made thereunder of the time being in force.]
 - iii.(2) Where the licensee wants to sell, stock or exhibit for sale or distribute any additional insecticides during the currency of the licence on payment of fees specified

in sub-rule (2).]

- iv. (3) if the licensing officer is satisfied that a particular insecticide is harmful to human beings animals or environment, he may after recording reasons and referring the Insecticide to the Insecticide analyst, prohibit temporarily its sale for a period of thirty days or till he obtains the report of the analyst, whichever is earlier.]

(4A) (4) [(i) Every person shall along with his application for grant or renewal of a licence to undertake operation or sell, stock or exhibit for sale or distribute Insecticides, file a certificate from the principal whom he represents or desires to represent the Form VI-D].

(ii) The certificate to be issued by the principal shall be addressed to the licensing officer of the concerned area and shall contain full particulars of the principal including their registration and manufacturing licence numbers, full name and address of the person proposed to be authorised and also the type of formulations to be used in commercial pest control operations, sold, stocked or exhibited, for sale or distribution.

-
1. Substituted by GSR 474(E),dt. 24-7-19977.
 2. Substituted by GSR 533(E), dt. 6-8-1993.
 3. Inserted by Insecticides (Iind Amendment) Rules, 1999,dt. 20-5-1999.
 4. Substitued by Insecticides (Iind Ammendment) Rules, 1999,dt. 20-5-1999.

iii. In order to verify the genuineness or otherwise of the certificate, the principal shall send to the licensing officer of the State where he intends to sell his products an adequate number of copies of the specimen signature or the specimen signatures of the persons authorised in writing to issued the principal's certificate.

iv. In case of suspension, revocation or cancellation of the certificate, the principal shall forthwith intimate the licensing officer having jurisdiction.]

5 [(1) A licensing officer may, after giving a reasonable opportunity of being heard to the applicant refuse to grant any licence.]

6. [(2) A fee of rupees one hundred shall be payable for a duplicate copy of a licence issued under this rule if the original is defaced, damaged or lost.]

(10A. (3) segregation and disposal of date-expired pesticides

- a. Immediately after the date of expiry all such stocks after being segregated and stamped not for sale or not for use or not for manufacture as the case may be shall be kept by the licensee in a separate place specially demarcated for the purpose with a declaration date expired insecticide, to be exhibited on the conspicuous part of the place.
- b. [(4) All such stocks then shall be disposed of in an environment friendly manner as may be specified from time to time by the Central Government in consultation with the Central Insecticides Board and shall not be used for remanufacture.]

10B. Special provision with regard to sulphur

With regard to insecticides sulphur and its formulations all licensees shall--

- a. Observe all precautions to prevent its theft;
- b. Report any such theft to the nearest police authorities promptly; and
- c. Maintain a separate register showing names and addresses of all the persons to whom it has been sold or distributed and the quantities to be sold or distributed.

10C. Prohibition against sale or storage of insecticides in certain places

No person shall manufacture store or expose for sale or permit the sale or storage of any insecticide in the same building where any articles consumable by human beings or animals are manufactured, stored or exposed for sale.

Explanation: Nothing contained in this rule will apply to the retail sales of household insecticides from the building wherefrom other articles consumable by human beings or animals are usually sold provided such household insecticides have been registered as such and are packed and labeled in accordance with these rules.]

11. Duration of licences

[(a) (1) Any licence issued or renewed under this chapter shall, unless sooner suspended or cancelled, be in force for a period of two cancelled, be in force for a period of two calendar year:

1. Substituted by GSR 533(E), dt. 6-8-1993.
2. Substituted by insecticides (Amendment) rules, 1999, dt. 20-05-1999.
3. Inserted by GSR 533(E), dt. 6-8-1993.
4. Substituted by Insecticides (Iind amendment0 Rules, 1999, dt. 20-5-1999.

PROVIDED that the licence to manufacture insecticides, if any issued on the basis of provisional registration granted under sub-section(3-B of section 9 shall expire on the date of expiry of the provisional registration ;

PROVIDED FURTHER that the licence granted by endorsement on the main licence under clause (iii) of sub-rule (8) of rule 9 or undeer clause (iii) of sub-rule (4) of rule 10 or under sub-rule (3) of rule 10-A shall expire or be renewable along with the main licence.

- b. An application for the renewal of a licence shall be made before its expiry and if such an application is made after the date of expiry but within three months from such date, a late fee of -
 - i. (1) rupees five hundred for the first month or part thereof, rupees one thousand for the second month or part thereof and rupees one thousand and five hundred for the third

month or part thereof, in case of licence to manufacture insecticides or to carry pest control operations;

- ii. rupees one hundred for the first month or part thereof, rupees two hundred for the second month or part thereof and rupees three hundred for the third month or part thereof in case of any other licence shall be paid alongwith the application for renewal:

PROVIDED that where the amin pest control operation unit or the place of sale is located in the rural areas, the late fee shall be one-fifth of the said late fee:

PROVIDED FURTHER that in case of death or disability of the licensee the licensing officer may after recording reasons in writing, exempt the applicant from payment of the late fee.]

Explanation: (1) Where an application for renewal is made before the expiry of the licence and the order regarding refusal or renewal is passed after the expiry of the licence, the applicant shall be deemed to have been carrying on his business in accordance, with the expired licence (from the date of expiry0 till the date of communication of the final order on that application.

(2) Where an application for renewal is made after the expiry of the licence with late fee, the applicant shall be deemed to have been carrying on his business in accordance, with the expired licence (from the date of expiry) till the date of communication of the final order on that application.]

[(c) (2) The licence shall continue to be in force until it is renewed or revoked. Where an appeal is preferred under section 15, the licence shall continue to be revoked until disposal of appeal or as ordered by the appellate authority pending disposal of the appeal.]

- a. the licensing officer may, after giving an opportunity of being heard, refuse to renew the licence (3)[for reasons to be recoreded in writing].

12. Conditions of licence

[(a) (4) Subject to conditions laid down in sub-rule 930 of rule 9, under sub rule (4) of rule 10, a licence shall not be granted to any person under this chapter unless the licensing

-
1. Sub-clauses (I) and (ii) substituted by Insecticides (Amendment) rules, 1999, dt. 20-5-1999.
 2. Clause (c) substituted by Insecticides (amendment) rules, 1999, dt. 20-5-1999.
 3. Substituted for words "and on such refusal the fee paid for such renewal and the penalty, if any paid shall be refunded to the applicant" by GSR 533(E), dt. 6-8-1993.
 4. Substituted by GSR 474 (E) dt. 24-7-1976.

Officer is satisfied and the premises in respect of which licence is to be granted are adequate and equipped with proper storage accommodation for avoiding any hazards for preserving the properties of insecticides in respect of which the licence is granted.

(b) In granting a licence, the licensing officer shall have regard, among other things to-

- i. the number of licences granted in the locality during any year; and
- ii. the occupation, trade or business carried on by the applicant.

13. Varying or amending a licence

1. The licensing officer may either on an application made by the licensee or if he is satisfied that the conditions under which a licence has been granted under this chapter have been changed that it is necessary so to do vary or amend a licence [after satisfying himself that the Registration Committee has amended the the registration certificate and] after giving an opportunity of being heard to the person holding the licence.

14. Transfer of licence

1. the holder of a licence may at any time before the expiry of the licence, apply for permission to transfer the licence to any other person.
2. [(2) the application under sub-rule (1) shall be accompanied by a fee of rupees one hundred.]
3. the licensing officer may, after such inquiry as he thinks fit accord permission to transfer the licence and on such permission being given an endorsement to that effect shall be made in the licence.
4. If the permission to transfer a licence is refused, the fee paid therefor shall be refunded to the applicant.

15. [(3) Issuing cash memo and maintenance of records

1. All sales of insecticides shall be made by a bill or cash memo in the form prescribed under any law.
2. All sales of insecticides made to licensed manufacturer (formulator or packer), stockist, distributor, dealer, retailer or to abulk consumer shall be entered insecticidewise, in a register in Form XIII and a state wise monthly return of all sales to actual consumers shall be sent to the licensing officer, in Form XIV within 15 days from the close of the month.
3. Every importer or manufacturer of insecticide shall maintain a stock register in Form XV or technical grade insecticides and in Form XVI to formulate insecticides.
4. Without prejudice to the foregoing, the Central Government or the State Government or any other person authorised by it may, by notice in writing require any importer or manufacturer or any other person dealing in insecticides to furnish within the time specified in the notice, such information with respect of any insecticides or any batch thereof, including the particulars or all persons to whom it has been sold or distributed, as it may consider necessary.]

1. inserted by GSR 533(E), dt 6-8-1993.
2. Substituted by insecticides (Amendment) rules 1999, dt. 20-5-1999

3. Substituted by GSR 533(E), dt. 6-8-1993.

CHAPTER V
PACKING AND LABELLING

16. Prohibition of sale or distribution unless packed and labelled

No person shall stock or exhibit for sale or distribute 1[or cause to be transported] any insecticide unless it is packed and labelled in accordance with the provisions of these rules.

17.[1] Packaging of insecticides

1. every package containing the insecticides shall be of a type approved by the Registration Committee.
2. Before putting any insecticide into the primary package every batch thereof shall be analysed as per the relevant specifications of the manufacture thereof, in accordance with the approved methods of analysis and the result of such an analysis shall be recorded in the register maintained for the purpose. If any insecticide is put in the package it shall be presumed that it is fit and ready for sale, distribution or use for which it is intended notwithstanding the fact that any further steps are still required to be taken to make it marketable.]

18. Leaflet to be contained in package

[(1)](2) The packing of every insecticides shall include a leaflet containing the following details, namely:

- a. The plant disease, insects and noxious animals or weeds for which the insecticide is to be applied, the adequate direction concerning the manner in which the insecticide is to be used at the time of application;
- b. Particulars regarding chemicals harmful to human beings, animals and wild life, warning and cautionary statements including the symptoms of poisoning suitable and adequate safety measures and emergency first-aid treatment where necessary;
- c. Cautions regarding storage and application of insecticides with suitable warnings relating to inflammable, explosive or other substance harmful to the skin;
- d. Instructions concerning the decontamination or safe disposal of used containers;
- e. A statement showing the antidote for the poison shall be included in the leaflet and the label;
- f. If the insecticide is irritating to the skin, nose, throat or eyes, a statement shall be included to that effect.
- g. (1) commonname of the insecticide as adopted by the International standards organisation and where such a name has not yet been adopted such other name as may be approved by the Registration Committee.]

[(2) (1) Two copies of the leaflets duly approved by the Registration Committee and signed by the Secretary Registration Committee, shall be returned to the manufacturer and one copy to the state licensing officer.]

-
1. Inserted by GSR 533(E), dt. 6.8.1993
 2. Renumbered by GSR 533(E), dt. 6.8.1993.

19. Manner of labelling

1. The following particulars shall be either printed or written in indelible ink on the label of the innermost container of any insecticide and on the outer most covering in which the container is packed:

(i) Name of the manufacturer (if the manufacturer is not the person in whose name the insecticide is registered under the Act, the relationship between the person in whose name the insecticide has been registered and the person who manufactures, packs or distributes or sells shall be stated).

(ii) Name of insecticide & brand name or trade mark under which the insecticide is sold).

iii. Registration number of the insecticide.

iv. Kind and name of active and other ingredients and percentage of each. (Common name accepted by the International Standards Organisation or the Indian Standards Institutions of each of the ingredients shall be given and if no common name exists, the correct chemical name which conforms most closely with the generally accepted rule of chemical nomenclature shall be given).

v. Net content of volume. (the net contents shall be exclusive of wrapper or other material. The correct statement of the net contents in terms of weight, measure, number of units of activity as the case may be shall be given. The weight and volume shall be expressed in the metric system).

vi. Batch number.

vii. Expiry date i.e. up to the date the insecticide shall retain its efficiency and safety.

viii. Antidote statement

2. The label shall be so affixed to the containers that it cannot be ordinarily removed.

3. The label shall contain in a prominent place and occupying not less than one-sixteenth of the total area of the face of the label, a square, set at an angle of 45° (diamond shape). The dimension of the said square shall depend on the size of the package on which the label is to be affixed. The said square shall be divided into two equal triangles, the upper portion shall contain the symbol and signal word specified in sub-rule (4) and the lower portion shall contain the colour specified in sub-rule (5).

4. The upper portion of the square, referred to in sub-rule (3) shall contain the following symbols and warning statements-

(i) insecticides belonging to Category I (Extremely toxic) shall contain the symbol of a skull and cross-bones and the word "POISON" printed in red;

the following warning statements shall also appear on the label at appropriate place, outside the triangle-

- a. KEEP OUT OF THE REACH OF CHILDREN
 - b. IF SWALLOWED, OR IF, SYMPTOMS OF POISONING OCCUR CALL PHYSICIAN IMMEDIATELY';
- ii. insecticides in Category II (highly toxic) will contain the word POISON printed in red and the statement KEEP OUT OF THE REACH OF CHILDREN shall also appear on the label at appropriate place, outside the triangle,
 - iii. insecticides in Category III(moderately toxic) shall bear the word " DANGER" and the statement "KEEP OUT OF THE REACH OF CHILDREN";
 - iv. shall also appear on the lable at suitable place outside the triangle;
 - v. insecticides in category IV(slightly toxic) shall bear the word "CAUTION".
5. The lower portion of the square referred to in sub-rule (4) shall contain the colour Colour specified in column (4) of the table below, depending on the classification of the insecticides specified in the corresponding entry in column (1) of the said table.

TABLE

<i>Classification of the insecticides</i>	<i>Medium lethal dose by the oral route (acute toxicity) LD 50 mg/kg. Body weight of test animals</i>	<i>Medium lethal dose by the dermal route (derma toxicity) LD 50 mg/kg. Body weight of test animals</i>	<i>Colour of identification band on the label</i>
1	2	3	4

1. Extremely Toxic	1-50	1-200	Bright red
2. Highly toxic	51-500	201-2000	Bright yellow
3. Moderately toxic	501-5000	2001-20000	Bright blue
4. slightly toxic	More than 5000	More than 20000	Bright green

6. In addition to the precautions to be undertaken under sub-rules (3), (4) and (5) the label to be affixed in the packages containing insecticides which are highly inflammable shall indicate that it is inflammable or that the insecticides should be

- kept away from the heat or open flame and the like.
7. The label and the leaflets to be affixed or attached to the package containing insecticides shall be printed in Hindi, English and in one or two regional languages in use in the areas where the said packages are likely to be stocked, sold or distributed.
 8. Labelling of insecticides must not bear any unwarranted claims for the safety of the producer or its ingredients. This includes statements such as "SAFE" "NON-POISONOUS" "NON-INJURIOUS" or "HARMLESS" with or without such qualified phrase as "when used as directed"

20. Prohibition against altering inscriptions, etc. on containers, labels or wrappers of insecticides

No person shall alter, obliterate or deface any inscription or mark made or recorded by the manufacturer on the container, label or wrapper of any insecticide:

PROVIDED that nothing in this rule shall apply to any alteration of any inscription or mark, made on the container, label or wrapper of any insecticide at the instance, direction or permission of the Registration Committee.

CHAPTER VI **INSECTICIDE ANALYSIS AND INSECTICIDES INSPECTORS**

21. Qualification of Insecticide analyst

A person shall be eligible for appointment as an insecticide analyst under the Act only if he possesses the following qualifications, namely;

- a. a graduate in Agriculture or a graduate in science with chemistry as special subject; and
- b. adequate training in analysing insecticides in a recognized laboratory.

22. Powers of Insecticides Analyst

1. The Insecticides analyst shall have the power to call for such information or particulars or do anything as may be necessary for the proper examination of the samples sent to him either from the Insecticide Inspector or the person whom the sample was obtained.

23. Duties of Insecticides Analyst

1. the Insecticides analyst shall analyse or cause to be analysed or test or cause to be tested such samples of insecticides as may be sent to him by the insecticide inspector under the provisions of the act and shall furnish report or results of such tests or analysis.
2. An insecticides analyst shall, from time to time, forward to the state government reports giving the result of analytical work and investigation with a view to their publication at the discretion of the Government.

24. Procedure on receipt of sample

(1) On receipt of a package from an Insecticide Inspector containing a sample for test or analysis, the Insecticides analyst shall compare the seal on the packet with the specimen impression received separately and shall note the condition of the seals on the packet.

[(2) (1) in making the test or analysis of insecticides, it shall be sufficient if the insecticides analyst follows the specifications and the methods of examination of samples as approved by the registration committee.]

3. After the test or analysis has been carried out under sub-rule (2), the insecticides analyst shall forthwith supply to the insecticides inspector a report in triplicate in Form IX of the result of test or analysis.

25. Fees payable for testing or analysis

1. [(1) (2) the fees payable for testing or analysing insecticides under sub-section (5) of section 24 of the act shall be as specified in the second schedule.]

[(2) (1) The fee payable for testing or analysing samples received from the Insecticides Inspector shall also be as specified in the Second Schedule:

PROVIDED that the Central Government may, after taking into consideration the genuine difficulties, of any particular state government, exempt from payment of the fee for such period as it may consider reasonable.]

26. Qualifications of Insecticides inspector

A person shall be eligible for appointment as an Insecticides Inspector under the act only if he possesses the following qualifications, namely;

- a. graduate in Agriculture, or Graduate in science with Chemistry as one of the subjects;
- b. adequate field experience.

27. Duties of Insecticides Inspector

The Insecticides Inspector shall have the following duties, namely:

1. to inspect not less than three times in a year all establishments selling insecticides within the area of his jurisdiction;
2. to satisfy himself that the conditions of licence are being complied with;
3. to procure and send for test and analysis, samples of insecticides which he has reason to suspect are being sold, stocked or accepted for sale in contravention of the provisions of the act or rules made thereunder;
4. to investigate any complaint in writing which may be made to him;
5. to institute prosecution in respect of breaches of the Act and the Rules made Thereunder;
6. to maintain a record of all inspections made and action taken by him in the performance of his duties including the taking of samples and seizure of stocks and to submit copies of such record to the licensing officer;
7. to make such inquiries and inspections as may be necessary to detect the sale and use

of insecticides in contravention of the Act.

28. Duties of Inspectors specially authorised to inspect manufacture of insecticides

It shall be the duty of any inspector authorised to inspect the manufacture of Insecticides-

1. to inspect not less than twice a year all premises licensed for the manufacture of insecticides within the area of his jurisdiction and to satisfy himself that the conditions of the licence and the provisions of act or the rules made thereunder which are being observed and the conditions and provisions if any which are not being observed;
2. to send forthwith to the licensing officer after each inspection, a detailed report indicating the conditions of the licence and the provisions of the act or rules made thereunder which are being observed and the conditions and provisions, if any, which are not being observed;
3. to draw samples of insecticides manufactured on the premises and send them for test or analysis in accordance with these rules;
4. to report to the government all occurrences of poisoning.

29. Prohibition of disclosure of information

except for the purpose of official business or when required by a court of law an insecticides inspector shall not disclose to any person any information acquired by him in the performance of his official duties.

30. Form of order not to dispose of stock

an order by the insecticides inspector requiring a person not to dispose of any stock in his possession shall be in form x.

31. Prohibition of sale

No person in possession of an insecticide in respect of which an insecticides inspector has made an order under rule 30 shall, in contravention of that order, sell or otherwise dispose of any stock of such insecticide.

32. Form of receipt for seized insecticides

A receipt by an insecticides inspector for the stock of any insecticide seized shall be in form XI.

33. Form of intimation for purposes of taking samples

Where an inspector takes a sample of an insecticide for the purpose of test or analysis he shall intimate such purpose in writing in Form XII to the person from whom he takes it.

34. Dispatch of Samples for test or analysis

1. Sample for test or analysis under the Act shall be sent by registered post or by hand in a sealed packet together with a memorandum in Form XII in an outer cover addressed to the Insecticide analyst.
2. The packet as well as the outer cover shall be marked with a distinct mark.
3. A copy of the memorandum in form XIII together with a specimen impression of the seals of the Inspector and of the seals, if any, of the person from whom he takes such samples, shall be sent separately by registered post or by hand to the insecticides analyst.

CHAPTER VII

TRANSPORT AND STORAGE OF INSECTICIDES IN TRANSIT BY RAIL, ROAD OR WATER

35.¹ [Manner of packing, storage while transporting]

1.
 1. packages containing insecticides, offered for transport by rail, shall be packed in accordance with the conditions specified in the Red Tariff, issued by the Ministry of Railways.
 2. No insecticide shall be transported or stored in such a way as to come into direct contact with foodstuffs or animal feeds.
 3. No foodstuffs or animal feeds which got mixed up with insecticides as a result of any damage to the packages containing insecticides during transport or storage shall be released to the consignees unless it has been examined for possible contamination by competent authorities, as may be notified by the State Government.
 4. If any insecticide is found to have leaked out in transport or storage it shall be the responsibility of the transport agency or the storage owner to take such measure urgently to prevent poisoning and pollution of soil or water, if any.

36. Conditions to be specified for storage of insecticides

1. The package containing insecticides shall be stored in separate rooms or premises away from the rooms or premises used for storing other articles or shall be kept in separate almirahs under lock and key depending upon the quantity and nature of the insecticides.
2. The rooms or premises means for storing insecticides shall be well built, dry, well-lit and ventilated and of sufficient dimension.

CHAPTER VIII

PROVISIONS REGARDING PROTECTIVE CLOTHING, EQUIPMENT, AND OTHER FACILITIES FOR WORKERS DURING MANUFACTURE,

² [37. Medical Examination

2. All persons who are engaged in the work of handling, dealing or otherwise coming in

contact with the insecticides during manufacture/ formulation of insecticides or being engaged during spraying operation shall be examined medically before their employment and at least quarterly in the case of those engaged in manufacturing/ formulation units and yearly in other cases including operators while in service by a qualified doctor who is aware of risks to which such persons are exposed. Particulars of all such persons, including the particulars of their medical examination, shall be entered in a register in Form XVII. Where the insecticide in question is an organophosphorus compound or a carbamate compound, the blood cholinesterase level shall be measured at least once a month of all persons working in the manufacturing units. The blood residue estimation shall be done once in a year in the case of persons working with organochlorine group of insecticides in a manufacturing / formulation unit. In the case of spraying people working with the pest control operators, the estimation of cholinesterase level (if working with organophosphorus or carbamate compounds) and blood residue (if working with organochlorine group) shall be conducted as and when advised by the doctor as part of the general medical test.

2. Any person showing symptoms of poisoning shall be immediately examined and given proper treatment.]

-
1. Substituted for "manner of packing storage while in transit by rail" by insecticides (Ind amendment) Rules, 1999, dt.20-05-1999.
 2. Substituted by GSR 533 (E), dt. 6-8-1993.

38. First aid measures

In all cases of poisoning first aid treatment shall always be given before the physician is called. The Indian Standard Guide for handling cases of insecticide poisoning - part I first-aid measures [IS : 4015 (part I)-1967] and Part II symptoms, diagnosis and treatment [IS : 4015 (part II)-1967] shall be consulted for such first-aid treatment in addition to any other books on the subject. The workers also should be educated regarding the effects of poisoning and the first-aid treatment to be given.

39 Protective clothing

1. persons handling insecticides during its manufacture, formulation, transport, distribution or application, be adequately protected with appropriate clothing.
 2. The protective clothing shall be used wherever necessary, in conjunction with respiratory devices as laid down in rule 40.
 3. The protective clothing shall be made of materials which prevent or resist the penetration of any form of insecticides formulations. The materials shall also be washable so that the toxic elements may be removed after each use.
 4. A complete suit of protective clothing shall consist of the following dresses, namely:
 - a. Protective outer garment / overalls / hood / hat;
 - b. Rubber gloves or such other protective gloves extending half-way up to the fore

- arm, made of materials impermeable to liquids;
- c. Dust-proof goggles;
- d. Boots.

40. Respiratory devices

For preventing inhalation of toxic dusts, vapours of gases, the workers shall use any of the following types of respirators or gas-masks suitable for the purpose, namely:

- a.
 - a. Chemical cartridge respirator;
 - b. Supplied-air respirator;
 - c. Demand flow, type respirator;
 - d. Full-face or half-face gas-masks with canister.

In no case shall be concentrates of insecticides in the air where the insecticides are mixed exceed the maximum permissible values.

41. Manufactures, etc. to keep sufficient quantities fo antidotes and first-aid medicines

The Manufacturers and distributors foinsecticides and persons who undertake to spray insecticide on a commercial basis (hereafter in these rules referred to as operators) shall keep sufficient stocks of such first-aid tools, equipment's, antidotes, injections and medicines as may be required to \treat poisoning cases arising from inhalation, skin, contamination, eyes contamination and swallowing.

42. Training of workers

The manufactures and distributors of insecticides and operators shall arrange for suitable training in observing safety precautions and handling safety equipment provided to them.

43. Aerial spraying operations

The aerial application of insecticides shall be subject to the following provisions, namely;

- a.
 - a. marking of the area shall be the responsibility of the operators;
 - b. the operators shall use only approved insecticides and their formulations at approved concentration and height;
 - c. washing decontamination and first-aid facilities shall be provided by the operators;
 - d. all aerial operations shall be notified to the public not less than twenty-four hours in advance through competent authorities;
 - e. animals and persons not connected with the operations shall be prevented from entering such areas for a specific period; and
 - f. the pilots shall undergo specialisation training including clinical effects of the insecticides.

44. Disposal of used packages, surplus material and washings of insecticides

1.

1. It shall be the duty of manufacturers, formulators of insecticides and operators to dispose packages or surplus materials and washing in a safe manner so as to prevent environmental or water pollution.
2. The used packages shall not be left outside to prevent their re-use.
3. The packages shall be broken and buried away from habitation.

CHAPTER IX

MESCELLANEOUS

45. places at which the insecticides may be imported

No insecticides shall be imported into India except through one of the following places, namely;

Ferozepore Cantonment and Aamritsar railway stations in respect of insecticides imported by rail across the frontier with the West Pakistan. ¹

Ranaghat, Bongaon and Mahiassan railway stations in respect of insecticides imported by rail across the frontier with the East Pakistan. ¹

²[Madras, Calcutta, Bombay, cochin and Kandla] - in respect of insecticides imported by sea into India.

Madras, Calcutta, Bombay, Delhi and Ahmedabad - in respect of insecticides imported by air into India.

Now Bangladesh, ². Substituted by GSR 1064 (E), dt. 7-11-1988.

46. Travelling and other allowances payable to the members of the Board, etc.

The members of the Board, Registration Committee and any other Committee appointed by the board shall be entitled to such travelling and other allowances for attending meetings of the Board, Registration Committee or other committee as the case may be as are for the time being admissible to Grade I officers of the Central government.

SCHEDULE I

¹[FORM-I]

APPLICATION FOR REGISTRATION OF INSECTICIDES

[RULE 6]

1 (a) Name, address and status of the applicant.

(b) Category of the industry - SSI/DGTD/MRTP/FERA/others.

2. Address of the premises where the manufacture will be done.

3. The common name and trade name of the insecticides which the applicant proposes to import or manufacture.

4. Whether the application is for import or for manufacture:

(i) in the case of import please state:-

- a. Name and address of the manufacturer.
- b. Name and address of the supplier if he is duly authorised by the manufacturer.
- c. Is the insecticide registered in the country:

1. Of manufacture.

1. From which supplies are expected to be made.

i. in the case of manufacture please state;

Whether the insecticide is meant for domestic consumption or for export or for both.

5. In the case of formulation, the sources of supply of technical grade material and its status of registration. Chemical composition.

6. (I) Kind and name of active and other ingredients and percentages of each.

(ii) Stability in storage (as per details specified by the Registration committee).

iii. shelf life claim.

7. Toxicity of the products to human beings, wild life, aquatic animals toxicological data to be enclosed (as per details specified by the Registration Committee).

8. The plant diseases, insects and other poisonous animals and weeds against which it is intended to be used. (published/authentic reports on bioefficacy of the insecticide to be enclosed as per details specified by the registration committee.

9. Instructions for storage and use including first-aid and precautionary measures which are proposed for labelling.

10.(I) ten copies of specifications for product, quality and methods of analysis for technical/ formulated compound (as applicable) and its residues.

(ii) analytical test report for the product quality.

11. seven copies of the proposed labels and leaflets (including all printed or graphic matter which will accompany the package containing the insecticide as per the insecticides rules, 1971.

12. Manner of packing.

13. Particulars of fee deposited.

1. substituted by GSR 533(E), dt. 6-8-1993.

2. Signature of the applicant
